Dear Parent/Guardian:

With your permission, your young adult will be able to access the Internet at school as part of their class instruction. Below are the rules for use at the school. Please read these guidelines before you consider granting permission.

Guidelines for Internet Usage (Roselle Borough BOE Policy 2361 – Acceptable Use of Computer and Resources available online)

1. All students must have a signed permission slip from their parents that authorizes them access to the Internet.
2. Respect for the equipment of the school and its network is a condition for use of the computers.
3. Students are to notify the teacher/librarian immediately of any disturbing material they may encounter on the web or in e-mail.
4. Students are not to give out personal information (i.e. telephone number, full name, address, etc.) to anyone on the Internet.
5. Students are to never give anyone their password to any of their accounts or allow another student to use their account to access the Internet or school network.
6. Students must gain clearance from the teacher/librarian before downloading any programs from the Internet.
7. All USB/flash drives brought to the lab or library to be used in the computers must first be scanned for viruses by the teacher/librarian.
